

CLEANING & SAFETY INSTRUCTIONS

SAFETY INSTRUCTIONS:

1. Use an authorized and certified electrician for consultation and installation. Electrician must be familiar with commercial-type applications of very heavy chandeliers.
2. This fixture has been rated for a precise type of bulbs and power. Consult the technical data of your Spiridon light for know which kind and number of bulb is needed.
3. To avoid the risk of fire, do not exceed the recommended wattage.
4. The ceiling must have at least the capacity of 5 times the weight of the ceiling light.
5. The manufacturer and distributor accepts no liability for incorrect installation.
6. For indoor use only.
7. Keep away from children.

WARNINGS:

1. Turn-off electricity supply at main circuit panel before installing. Do not connect electricity supply until your ceiling light is fully assembled and installed.
2. All wires are connected. Do not remove the ceiling light from its packaging by pulling on the power cord, as a bad connection may result.
3. To reduce the risk of fire, electrical shock, or personal injury, always turn off the ceiling light and allow it to cool prior to replacing light bulb. Do not touch bulb when fixture is turned on or look directly at light bulb. Keep flammable materials away from light bulb.
4. Deviation from instructions may result in a risk of fire or electric shock.

MONTAGE INSTRUCTIONS:

See the assembly instruction data of your Spiridon light.

CLEANING INSTRUCTIONS:

1. Make sure that the power is turned off and bulb has cooled before handling.
2. Wipe clean with a dry cloth / mild soapy solution. Do not use corrosive cleaners.
3. The cable/cord of this ceiling light cannot be restored: If the cable is damaged, do not use the light and replace the cable.

ENVIRONMENT:

Special waste handling may be required. Please contact your local authorities for more information.
